Wild Wadi Waterpark is a radically different waterpark. Wild Wadi breaks new ground in that 14 of its 30 pulsating rides are inter-connected, allowing thrill seekers of all ages to experience one adrenaline rush after another without ever leaving the water.

What's more, the vast majority of the rides at Wild Wadi are a first for this region - including the Jumeirah Sceirah, the tallest and fastest slide outside the United States.

“Dubai’s excessive temperatures and heavy bather loads required daily backwashing of our current filters. We were thrilled when the very first filter cycle of our new Defender lasted 30 days. We are so pleased with the water quality and performance, that we’re replacing all our filters with Defenders.”
